The purpose of this study was to gather data that serve as basic indicators for future planning of strategic responses in the field of anti-corruption policy and public administration reform. The objective of the UNDP's program for the fight against corruption, which is being implemented in partnership with the Directorate for Anti-Corruption Initiative under the Government of Montenegro (DACI) is to contribute to the effective implementation of anti-corruption initiatives and thereby to improve democratic governance in Montenegro. So far, DACI and UNDP have jointly conducted two surveys on the integrity and capacity in the judiciary and local government.
