

**TERMS OF REFERENCE**  
FOR  
**CONDUCTING SCREENING SURVEY AMONG ROMA AND DP's**  
**IN MONTENEGRO**

**Duration of assignment:** 2 MONTHS

**Introduction**

Montenegro applied successfully to the Global Fund to fight Against AIDS, Tuberculosis and Malaria (GF) in round 6 with UNDP as principal recipient. The goal will be achieved through three objectives:

**1. Improving TB surveillance System**

Aimed to build and maintain a new TB surveillance system based on electronic system for individual data collection. Establishing of surveillance system and its integration in the national general system of surveillance will allow valid data collection while the reporting of all relevant parties will help the developing of annual plans of activities and funding

**2. Strengthening TB diagnosis and treatment**

This objective aims to build technical and human capacity for all players involved in national TB control program and general health system as well.

**3. Community Advocacy and Mobilization**

Aims towards increasing public awareness of TB disease, people living with the disease, particularly stigma reduction and youth involvement.

In order to improve surveillance and treatment of TB in Montenegro, screening among populations in risk will be conducted.

**Duties and Responsibilities:**

1. To conduct survey in at least 5 municipalities in Montenegro: Bar, Niksic, Podgorica, Berane, Herceg Novi, Tivat, preferably to cover whole Montenegro.
2. Survey should cover 5000 persons:
3. Paper based survey should be conducted within maximum 60 days. Printed survey will be provided by UNDP.
4. No report will be made. Survey documents are to be submitted to UNDP TB unit. Special Hospital for Lung Diseases specialists will analyze survey and make contacts with people according to results of their survey.

**Submitted offer should include:**

1. Number of people covered by survey and names of municipalities where survey is going to be conducted with number of surveys for each municipality
2. Deadline for implementation of activities
3. Detailed budget
